CAST THEATRICAL COMPANY, INC.

An exciting 2020 production season is lined up with Cast Theatrical Company, Inc., a nonprofit theatre arts organization located in the heart of Historic Downtown Rosenberg. Great events are in store for CAST, including 5 live stage productions, a Christmas production and a Children's Acting Academy. What started as vision to provide easy access to theatrical productions and theatre education to the local community was brought to life in 1989 by a small troupe of amateur actors. To this day, CAST brings entertaining shows and events to Fort Bend County.

"We are quite excited about the 2020 Season," says Ron Saville, President of Cast Theatrical Company, Inc. "The whole year will be a comedy year. Comedy shows typically bring a good audience." CAST produces a variety of full-length stage plays, talent competitions and theater education activities for all ages.

Returning this year is the Stage Coach Acting Academy. Young actors and actresses take the stage to learn acting skills, play fun theater games and perform during summer camps. "We do summer camps, and they've been well received and well attended. We develop from the children's camp and we run a full set – we do the auditions, rehearsal, and produce a full show. We have a lot of fun," says Saville, who encourages young adults to get involved with the program.

Performances are held in the Historic Vogelsang Building located in Downtown Rosenberg at 1909 Avenue G. For 2020 Season information, tickets, volunteer opportunities or advertising opportunities please visit www.casttheatrical.com or email casttheatricalcompany@gmail.com.
